Communication to Students Regarding Emergency Grants

Email Sent to Fall 2021 Eligible Students

The American Rescue Plan (ARP) provided schools with funds to serve students and ensure learning continues during the COVID-19 pandemic. SMC will be awarding COVID relief grants to nearly all enrolled students at the end of September. Individual amounts will be between \$500 and \$1200 per student, based on financial need as calculated from the 2021-2022 FAFSA.

Ferris State and Michigan State Consortium students are not eligible for grants at SMC, but may be eligible for funds through those schools. Consortium students should contact their home schools (FSU or MSU) for more information. Students enrolled exclusively in late-start classes beginning in October will receive their grant once those classes have begun.

COVID relief funds can be used for any emergency costs that arise due to the coronavirus, or for any educational expenses including tuition, food, housing, books and supplies, technology, transportation or childcare. The grants will not be applied to student accounts, but will be disbursed directly to students via check or direct deposit. Please note that receipt of an emergency grant does not mean that you do not owe an outstanding balance for a current or past semester bill. If you have an unpaid bill at SMC, you are responsible for using these funds, or other funds, to satisfy any outstanding balances.

The fastest way to receive your emergency grant is through direct deposit. If you have not set up your direct deposit bank account information through the Bill and Payment Center in SMC Wired, please do so by clicking on "Bill and Payment Center" from the Student Resources tab in Wired and selecting "Refunds" from the menu at the top. Please note that direct deposit set-up may take several days depending on your banking institution, so it is important to do so as soon as possible. Also, please be sure we have your correct mailing address on file in case a paper check is issued. You can review your address information on the Student Dashboard in SMC Wired.

If you have any questions, please contact the Financial Aid Office at finaid@swmich.edu.
